

12 Volt Battery, Solar, Wind
or 110 Volt Current Powered Motor

ARTISAN®

TORO-3200 Ped-520

The Original, American Designed, Affordable Genuine Saddle, Harness, Holster, Belt, Bag, Case and Chap Machine that stitches from Light Thin Leather to Extra Heavy Leathers.

TORO-3200 Ped-520 Stitchers include the original ARTISAN® developed Electronic Servo Motor System mounted directly behind the sewing machine head for quiet, powerful 880 watts of efficient controllable performance.

Only from ARTISAN®

The Original. Not a Copy or Clone.
We Innovate! and The Best Just Got Better!

The New TORO-3200 with the New Ped-520 is designed as an economical stitcher that does it all. Included is an adjustable height pedestal set up in the tall position for "stand up sewing" or adjusted lower for a normal sitting positing. In a mobile application, the ARTISAN® High Torque Digital, 110 volt, Servo Motor System may also be used with an optional inverter from a 12 volt battery power source in a vehicle or charged by a wind generator or a solar powered charging system.

Included with all New TORO-3200's

The Right Side, a Left Side, a Double Toe and Center Groover Presser Feet are always included with each T-3200 as well as an ARTISAN® magnetic LED gooseneck Lamp, a spool of "Premium Performance" Leather Stitching Thread, SCHMETZ brand Needles, Extra Bobbins, a Tool Kit, an Operators and Spare Parts Manual, a Deluxe Roller Edge Guide, and additional accessories are always included.

Exclusive ARTISAN Lifetime Limited Warranty.
Phone us for additional information.

Due to our continuous improvements, specifications are subject to change without notice.

**ADJUSTABLE STITCH LENGTH WITH REVERSE STITCHING,
