

# ARTISAN®

## SEWING MACHINES

**An Extremely High Quality Single Needle Sewing Machine with a Built-in DC Servo Motor with Needle Positioning, Under-bed Thread Trimming, and a Sealed Lubrication System.**

*The ARTISAN® model 1988 MDZ is an extremely high quality performance lockstitch single needle sewing machine with a fully sealed automatic lubrication system. The machine is designed for stitching light to medium heavy fabrics where a quality stitch formation is of the utmost importance.*

*The new 1988 MDZ includes a Ho Hsing model HVP 70 direct drive DC Mini Motor System with under-bed thread trimming, an electric presser foot lifter, a programmable stitch counter and pattern selector controller.*

*We recommend the 1988 MDZ machine where high speed production sewing and a quality low tension stitch is of absolute necessity.*

*Additional features of the ARTISAN® 1988 MDZ are a back tacking and reverse knuckle switch, a thread wiper, a dial stitch length regulator with readable numbers and the machine is almost totally vibration free at all speed ranges.*

*The ARTISAN® model 1988 MDZ uses a Hirose rotating hook with a standard "L" size bobbin. All of the fittings such as presser feet, needles, bobbins, bobbin cases, needle plates and feed dogs are industry standard and interchangeable with readily available replacement spare parts. Included with the complete ARTISAN® package is our halogen lamp, and your choice of locking caster wheels.*
